

## *What is a School-Parent Compact?*

A School-Parent Compact is a jointly developed agreement with parents. The compact outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and how they will work together as partners to make sure all students reach grade-level standards.

Effective compacts:

- Link to goals of the School Improvement Plan
- Focus on student learning skills
- Describe how teachers will help students develop skills using high-quality instruction
- Share strategies that parents can do at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

## *Jointly Developed*

Together, the parents, students and staff of Moreland Road Elementary developed this School-Parent Compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year in the spring to review the compact and make changes based on student needs and school improvement goals. Parents are encouraged to attend and are welcome to contribute comments or suggestions at any time. Parents are also encouraged to participate in the annual Title I parent survey that is used as a tool to collect parent feedback regarding current Title I programs and policies.

If you would like to volunteer, participate and/or give feedback, please contact Anissa Andrews at (770) 229-3755 at [anissa.andrews@gscs.org](mailto:anissa.andrews@gscs.org) or in person at 455 Moreland Road.

## *Activities to Build Partnerships*

Moreland Road Elementary offers many opportunities for families to be engaged in their children's education and school life.

- Open House
- Student Showcase Night
- Honor's Nights
- Parent Teacher Organization (PTO)
- Parent Workshops
- Stakeholder Meetings
- Co-Sponsored Events in the Community
- Parent-Teacher Conferences
- School Council
- Educational Field Trip Chaperones
- Media Center Volunteers

## *Communication about Student Learning*

Moreland Road Elementary is committed to frequent two-way communication with families about children's learning.

Some of the ways you can expect us to reach you are:

- Open House
- Student Showcase Night
- Parent-teacher conferences to discuss your child's progress and review the progress of the school-parent compact
- Progress reports and report cards
- Updates on the school website
- Opportunities to volunteer and participate in their child's class and observe classroom activities

*Do you have questions about your child's progress? Contact your child's teacher by phone at (770)229-3755 or email. E-mail addresses are on the school website at [www.morelandroadelementary.education](http://www.morelandroadelementary.education).*

# Teachers, Parents, and Students: Together for Success

## *School Responsibilities:*

### **As a School:**

- Provide parents with websites or printed materials to help with reading comprehension
- Provide parents with resources to show how writing supports comprehension and how they can help their child with writing
- Provide practice activities and websites for parents as they help their children with multi-digit multiplication and division

## *Family Responsibilities:*

### **As a Family Member:**

- Work with my child to practice reading comprehension skills with the resources or websites provided
- Work with my child to practice written responses to text dependent questions
- Help my child with multi-digit multiplication and division strategies

## *Student Responsibilities:*

### **As a Student:**

- Practice at home with printed resources or websites for reading comprehension with a family member
- Practice at home using writing resources to support comprehension with an adult
- Practice at home with websites and activities provided by the teacher on multi-digit multiplication and division strategies with a parent

## ***Our Goals for Student Achievement***

### *District Goals*

- Increase the percentage of students scoring proficient learner or distinguished learner in English language arts (ELA), math, science, and social studies by 5% as measured by the 2022 College and Career Ready Performance Index (CCRPI) content mastery district score for each level (elementary, middle and high)
- Increase the average school climate rating by 3% as measured by the average of the 2022 School Climate Star Rating

### **School Goal & Focus Goal**

- Increase the percentage of K-5 students reading and math at or above the grade on the grade level norm RIT based on the Measure of Academic Progress (MAP) by 3 percentage points
- Increase the percentage of 3rd - 5th grade students performing at proficient and distinguished levels in English language arts on the Georgia Milestones by 5 percentage points
- Move from an emerging PBIS school to a distinguished PBIS school through the improvement of culture and climate among students and staff.
